Captain [redacted] 541st Air Base Group, 540th Air Transport Wing, Pacific Division, Military Air Transport Service, Army Post Office Number 184, having been duly sworn and advised of his rights under the 24th Article of War deposes and says:

1. The object observed appeared to be a shell explosion without streamers.

2. The location of this observation was 19°05'N - 164°05'E, date and time 06 May 1948, time 0905Z.

3. The weather at the time of the observation was 4/10 to 5/10 cumulus, zero [illegible] approximately six (6) thousand feet.

4. There were no other witnesses to this observation.

5. There were no photos taken of this incident.

6. Only one explosion was observed - it was white in color. In relation to the aircraft, it was directly on course of the aircraft and slightly high, possibly 10,000 feet. No sound could be heard in the aircraft. This occurrence had no effect on clouds that could be observed.

[redacted]

Subscribed and sworn to before me this 28th day of August 1948.
