

STATEMENT OF WITNESS

Date: 25 April 1996

Place: Aztec, NM

I Frank B. Nordstrom, M.D., hereby state that James McAndrew, was identified as a Captain, USAFR on this date at my home and do hereby, voluntarily and of my own free will, make the following statement. This was done without having been subjected to any coercion, unlawful influence or unlawful inducement.

I was on active duty in the US Air Force and stationed at Walker AFB, Roswell, NM from July 1951 until June 1953. During that time I was a pediatrician assigned to the base hospital. Following my tour of duty with the Air Force I attended the University of Colorado as a resident in pediatrics. In July 1954 I relocated to Farmington, NM and began a private pediatric practice. I retired from private practice in 1987 and became the Medical Director of the San Juan Regional Medical Center, which is also located in Farmington, NM. In 1989 I retired from that position and presently reside in Aztec, NM.

I have been shown two transcripts of interviews where an individual named Glenn Dennis described conversations and visits he claims he had with a pediatrician in the late 1940s or early 1950s in Farmington, NM. According to these interviews, Mr Dennis also claims that this pediatrician had previously served at the hospital at Walker AFB/Roswell AAF. Since I am the only physician in Farmington, NM who previously served at the Walker AFB/Roswell AAF hospital, I believe I am the person he is referring to in these interviews. I am confident of this because I know I was the first pediatrician to practice in Farmington, which when I arrived in 1954, was a small community of approximately 8,000 people. I remained the sole pediatrician there for approximately 20 years and I know most, if not all, of the physicians in the area.

Even though I believe I am the person Mr Dennis referred to in the interviews, I do not remember him. I can state with reasonable certainty that I cannot recall any conversations with him, and he, to my knowledge, never visited me in Farmington, NM, in Colorado, or anyplace else. I have been told, however, that a person named Glenn Dennis operated a drugstore in the late 1950s-early 1960s, just outside Farmington, in Aztec, NM. But I do not recall any contact with him there either.

While I was stationed at Walker AFB, I do not recall any incidents that may explain the information Mr Dennis provided in the interviews. To my knowledge there was only one fatal aircraft accident during my tour of duty and that accident involved a Walker AFB based aircraft in the United Kingdom. I was not involved in any aspect of that accident. I also do not recall any other incidents such as automobile accidents or house fires that may be the source of this information. Nor do I recall a nurse named Lt Naomi Self or a nurse named Capt "Slats" Wilson. While at Walker AFB I did not witness or hear rumors of anything that involved flying saucers, aliens, or anything else of an extraterrestrial nature.

I am not part of a conspiracy to withhold information from either the US government or the American public. There is no classified information that I am withholding related to

this inquiry and I have not been threatened by US government persons concerning not talking about this matter.
