The following was extracted from the Staff Duty Officer's Report for the period 1630 1 Oct 65 to 0830 2 Oct 65:

a. UFO - Scott reported sighting by Lt Robert. Declined to give name and terminated call. 1930 hrs. Sighted earlier in the day.

b. [redacted] Manhattan Beach, Ca, age 15, student, phone [redacted] reported on star moving rapidly east. 1930 hrs, [redacted] I got. Observed for 15 minutes. Reported this binoculars. Path not straight line - appeared to bend in an arc. Apparently constant altitude. Looked like star moving very fast. Definitely moving faster than anything I ever saw. This did not appear to be a probe on the high part."
