35. I reported to some official on,

_____ Day _____ Month _____ Year

36. Was anyone else with you when you saw the object?

Yes (No)

If you answered yes did they see the object too

Yes (No)

37. Was this the first time you saw an object like this?

(Yes) No

38. My opinion is that it may have been a machine manned or operated by remote control in order to spy or to see the way people lived on this planet. They, who ever they are, can bring back information on what they wanted to find out. I cannot account for the red and green color but it looked to me as if they were some kind of lights.

39. Can you estimate the speed of the object?

Yes (No) ____ mph

Can you estimate its distance from you?

Yes (No) ____ feet
