AISOP

21 Aug 56

1. Long Distance telephone call between Capt Cumison, Flt 3-D, 1602d AISS and Lt Machyowsky of this headquarters.

AISDD

2. Lt Machyowsky stated that this headquarters desired Flt 3-D to conduct a followup investigation of UFOB sighted in Annapolis, Md., Area at 15/0157Z Aug 56.

AISOC

3. Lt Machyowsky stated either a telephone interview or personal interview would be utilized in the investigation depending on the amount of revealing information initially obtained. However, no TDY would be authorized.

AISIR

4. Lt. Machyowsky related pertinent facts concerning UFOB.

AISCM

5. Capt Cumison stated that he didn't believe a personal interview was necessary due to the fact that he felt the sighting could be easily explained if there were aircraft in the area.

AISMS

6. Capt Cumison stated that he would thoroughly check all aircraft activity in the area and any other possible leads which would account for the sighting.

AISSV

7. Lt Machyowsky state that the submission of a AF Form 112 would not be necessary if the sighting could be conclusively and easily explained. However, a TT message presenting substantiating evidence to this headquarters was mandatory.
