1. The basic letter is forwarded for your information and necessary
action since the investigation of this incident was initiated as a result
of your message AFOIN 57159 dated 11 November 1950.

2. It is noted that radnote AFOIN-C/DD-10, dated 16 December, in-
dicates that this phenomena was identified as the Wright meteor group
by Harvard Observatory. If such identification has been confirmed by
Harvard Observatory and/or other qualified agencies, it is recommended
that OSI be advised accordingly.

3. Advice relative to action taken will be appreciated.
