SUMMARY: (Enter concise summary of report. Give significance in final one-sentence paragraph. List inclosures at lower left. Begin text of report on AF Form 112—Part II.)

At 0200 EST, 20 June 1952, Sgt. Francis Young, a ground aircraft spotter, of the Harrisburg Filter Center, reported observing unidentified flying objects.

Sgt. Young reported that strange lighted objects were observed south of his station at North Street in Harrisburg at intervals of nine to twelve minutes. Some of these objects were reported to be in a formation in trail. The objects were clearly visible from the ground, however no exhaust or sound was noted. They were estimated to be at a very high altitude.

Ceiling and visibility at the time of observation were unlimited.

No aircraft were reported in the vicinity at the time.

Sgt. Young's observation was verified by another unidentified airman.

A full report of this incident is being forwarded by the Filter Center through the 26th Air Division, its higher Headquarters. This report is being submitted by this Headquarters only because we transmitted the original teletype.
