- 9. Negative.
- 10. Negative.
- 11. Position title and comments of the preparing officer:
 - a. Assistant Director of Plans and Programming.
 - b. A telephone conversation with Mrs. ██████████ elicited additional information in regard to UFOB. After the object disappeared the second time, Mrs. ██████████ went back to sleep and it is unknown whether it returned or not. The windows of the ██████████ residence are covered with a plastic material which serves as a storm window. It is possible that some light refraction or distortion occurred and was mistakenly identified as an UFOB. Mrs. ██████████ did not appear to be seeking any personal notoriety. The reliability of this report is unknown.
- 12. Negative.
