Extract from ATIC Duty Officers Report

18 January 1960

AFGIN-4E

The following are extracts from ATIC Duty Officer, Captain George T. Gregory's report dtd 16 Jan 60 for your information:

- 1735 - Received a UFO report from Col. Vitunac, 4A in typed form regarding a "lost Russian missile" that fell near the residence of the observer, a Mrs. [REDACTED], L. I. New York. Transmitted from Col. Moore, OSI, Pentagon. (She threatens to take this to Sen. Wagner. Called Maj. Friend to alert him).
- 2325 - FLASH INDICATIONS message directly from SAC COMMAND Post at Offutt AFB, with SAC D. O., Col. Barnwright (?) monitoring, reporting a UFO observed by a number of persons from Duluth, Minnesota to Cheyenne, Wyoming, including military personnel and pilots. The Command Posts of both HQ USAF and 15th Air Force at March Field, California were all on a three way tie-line to ATIC on this call. March Field had collected all the reports on a rather extensive tape, which HQ USAF Command Post directed that it be played back to the undersigned SDO. The attempt was not very successful, as it was garbled and full of static. A brief transcript is attached. Request was made to the 15th Air Force Command Post that a written report be submitted to ATIC in compliance with AFR 200-2, "UFO Reporting". Maj. Friend contacted and informed of the incident. It was recommended that this SDO contact Col. Meador, 1127th FAG and inform him of the incident for whatever action his investigative units in the areas if the sightings deemed necessary. Command Post at 1125th FAG contacted and informed of incident as recommended by Maj. Friend, USAF UFO Officer.

Mrs. [REDACTED], aircraft observer, resides at [REDACTED]
[REDACTED], Bay Port, Long Island, New York. She has a town-house also
which address is: [REDACTED] Centers Building, West Wing, Washington
Square Village, Manhattan. Now the fascinating story: On 8 January
she saw an object in the sky and it was a Russian lost missile and it
fell into the Great South Bay at 0950 pm. She reported this information
to the Duty Officer at SAC Base, West Hampton, Long Island. On hearing
nothing, reported this to the FBI. She stated that she had recovered a
piece of parchment from the nose cone and she now has moved out of her
Long Island house to her town house because she is being watched. If
she does not get any action soon she is going to take the matter up with
Senator Robert Wagner.
