MEMORANDUM

Bob-

Do what you want
with this. Obviously
the guy is perpetrating
a hoax and he was
deluded at the time.

One guy in a place
as large as Canton
experiencing what he
did is obviously
trying to "pull some
leg" or suffer through
hallucinations -

DATE

NOV. 13 1961

On the morning of November 13, 1961 at about 6:00 a.m., an object the color of highly polished aluminum hovered over my head at about 100 to 200 feet above the earth. It was disc shaped with a tube protruding from its underside. A ray, greenish in color came from the tube. It felt like a small charge of electricity. In the ray I saw the contents of my wallet.
