Lt. Moore states that present reports indicate that lake where object appeared to disappear has strange appearance. Present temperature is 30° & lake had been wholly frozen but now about 60 feet from shore lake appears much & water like. In addition about 200 yards from shore a dark spot has appeared ^{raised above} ~~on~~ ice and snow cover. They can't get enough light on area to determine nature of strange appearance. Lt. Moore has requested instructions on what action he should take and if he should go out on lake with underwater recovery team. D.O. can't contact anyone from Aerial Phenomena Branch to find out what he should do. Lt. Moore to be contacted by Quintanilla 1010030. He said to tell Lt. Moore to contact Capt. J. J. [unclear] F.D.P. [unclear] nearest AF BASE & they will take necessary action.
