Dear:

I wish to report a sighting of an unidentified flying object. I saw ~~it~~ one about 9:15 AM and another at 9:35 AM this morning. They were about 18-20 feet long, circular and silver, ~~and~~ in color. They came from the west and turned sharply to the south. They traveled very rapidly, made no sound and left no vapor. (They couldn't be balloons as the wind was from the east, and they come from due west.)

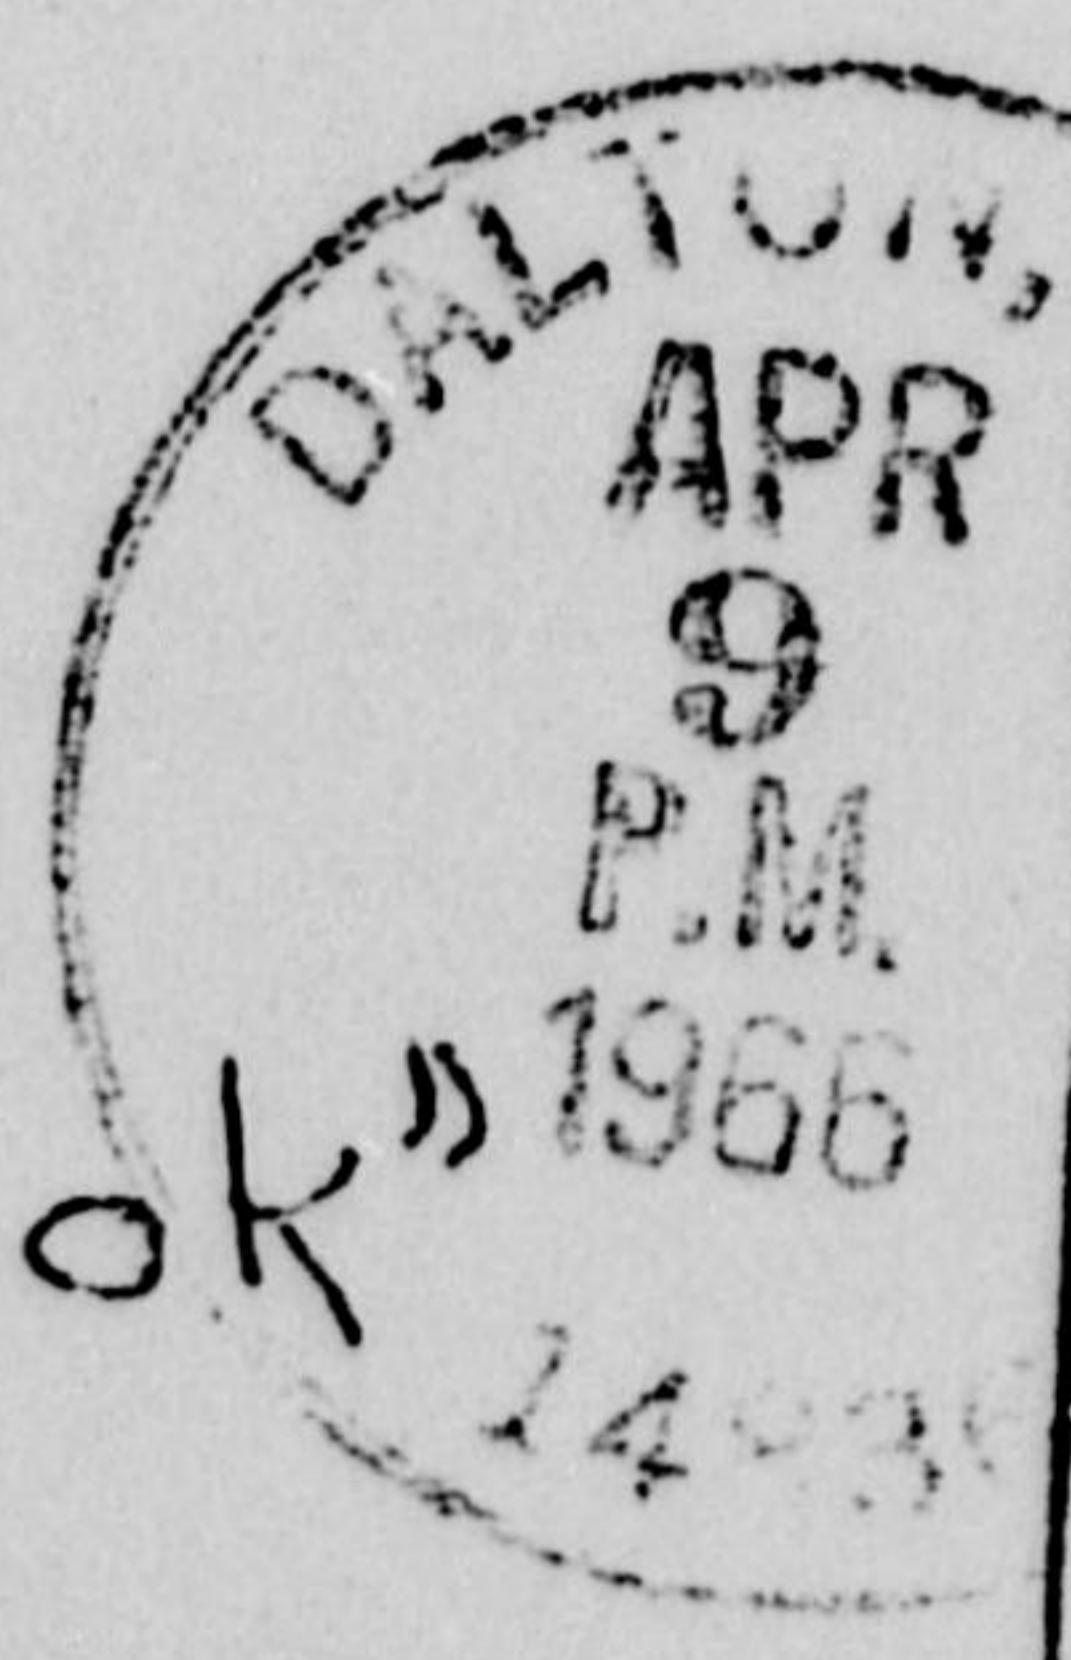

I hope this report will be of benefit.

Yours most sincerely,

Conn 164
