Dear Sirs:

I would like to report a UFO. It could of been a meteor, but my friend and I decided that it was to low to be a meteor. It was very bright and traveled very fast. It was in sight for about 25 seconds, than it disappeared. It flew low and over the center of Syracuse. I will be glad to give any other information required if needed. The address is at the top.

Sincerely yours,

[REDACTED]
