35. Information which you feel pertinent and which is not adequately covered in the specific points of the questionnaire or a narrative explanation of your sighting.

I noticed it at the zenith point ^(going north) and it went straight down following a definite course, but as it flew it wobbled here and there. As it neared the horizon it stopped and then went east of the point it stopped at. I live 5 miles away from ~~the~~ Midway airport. ^{There is in Chicago and have never} seen ^{something do what that did, as it} flew over, what seemed to be Midway and on the last ~~the~~ time it headed ~~as~~ west at a fantastic speed.

Major Hector Quintanilla Jr.
Directed, Project Bluebook
Wright-Patterson Air Force Base
Dayton, Ohio.

Dear Major Quintanilla,

I am a firm believer in U.F.O.s.
I have seen and witnessed them twice.
Once in the middle of summer
last year. And one about 10 days
ago. I will give you the information
on the first but the latter I
would like to fill out a form
if you have one on it.

On approximately August 2, 1966
at 10:15 p.m. I saw a U.F.O.
was up in my bedroom and looking
at Polaris (the north star) for fun
an amateur astronomer interested
in meteorology. ~~anywhere~~ Anywhere,
I was looking out at Polaris which
is at almost midway between the

horizon and zenith point. It happened to be a light approximately -4, magnitude. It passed overhead heading due North. It went down to about 15° above the horizon.

It then turned east and went back over Midway International Airport which is about 5 miles from my house. But after it ~~passed~~ went over Midway it suddenly flashed two red lights ~~at~~ about 0.5 sec. after each other and then went back on its original course.

Living near Midway I have been becoming used to aircraft flying over and this was definitely not an aircraft. Its flight duration was about 5 sec. so I ruled it out being an aircraft.

So please send me a form for my last sighting also some information on them.

Thank you.

P.S. Next ~~page~~.

PS

My boyfriend has claimed to
be a U.S.C. also please
send me a form for him
