UFO Sightings, 14 October 1966

OCT 24 1966

3640th Pilot Training Wing (ATC)  
Attn: DCO-OP

1. Reference the attached unidentified flying object reports of 14 October 1966. These reports are being returned for complete investigation in accordance with AFR 80-17. Format may be the same as used in your reports. However, your office did not give all information that is requested on format.
2. Investigating officer will make an initial analysis and comment on the possible cause or identity of the stimulus in a supporting statement. "None" is not an acceptable answer for paragraph k. There was no indication that your installation actually investigated the sighting. Manner of appearance, disappearance, weather data, etc. were missing. This information is essential before we can make an evaluation.
