The following UFO report is submitted in accordance with AFR ~~200-2~~:

a. Description of Object(s):

- (1) Shape: Cigar shaped.
- (2) Size: Larger than a star.
- (3) Color: Flashing blue and red.
- (4) Number: 3
- (5) Formation: Separated but in a straight line.
- (6) Any discernible features or details: None
- (7) Tail, trail, or exhaust: White-ish smoke.
- (8) Sound: None
- (9) Other pertinent or unusual features: None.

b. Description of Course of Object(s):

- (1) What first called the attention of observer(s) to the object(s)?
Attention first caught by a flashing Red-Green star.
- (2) Angle or elevation and azimuth of object(s) when first observed:
Elevation - 025°
Azimuth - 090°

Send 164

(3) Angle or elevation and azimuth of object(s) upon disappearance:

090° Elev, 090° Azimuth for constant one. 0° Elev.

360° Azimuth for the two that disappeared.

(4) Description of flight path and maneuvers of object(s):

Two moved in a straight line over the house from East to North. One remained over the house.

(5) How did the object(s) disappear?

The two disappeared over the horizon and one remained visible.

(6) How long (were) the object(s) visible?

Twenty minutes for the two that disappeared. The one overhead still visible.

c. Manner of observation:

(1) Use one or any combination of the following items: Ground-visual, air-visual, ground-electronic, air-electronic:

Ground visual

(2) Statement as to optical aids, used and description thereof:

None

(3) If the sighting occurred while air-borne, give type of aircraft, identification number, altitude, heading, speed and home station:

N/A

d. Time and Date of Sighting:

(1) Zulu time-date group of sighting: 0355Z - 0415Z

(2) Light conditions: Dark with nearly full moon.

e. Location of Observer: (Latitude and longitude, and/or geographical position) Southwest part of the City of Laredo.

f. Identifying Information on Observer(s)

(1) Civilian - Name [REDACTED]

Age 50

Mailing address [REDACTED]

Occupation Housewife

Estimate of reliability - Poor. Submitted a similar report on 14 October 1966. 78046

(2) Military - Name
Grade
Organization None.
Duty
Estimate of reliability

g. Weather and Winds - Aloft Conditions ~~at~~ Time and Place of Sightings:

(1) Observer(s) account of weather conditions:

Clear.

(2) Report from nearest AWS or U. S. Weather Bureau Office of wind direction and velocity in degrees and knots at:

Surface	0600-05K
6,000'	1800-10K
10,000'	3000-20K
16,000'	3200-30K
20,000'	2900-30K
30,000'	3100-45K
50,000'	3100-45K
80,000'	3100-45K

(3) Ceiling: Clear

(4) Visibility: 15 Miles

(5) Amount of cloud cover: None

(6) Thunderstorms in area and quadrant in which located:

None

(7) Vertical temperature gradient: Standard

h. Any other unusual activity or condition: Satellite burn-in from West to East due between 0100Z and 0330Z.

i. Interception or identification action taken: None.

j. Location, approximate altitude, and general direction of flight of any air traffic or balloon releases in the area which might possibly account for the sighting: Trans Texas Airways Aircraft took off from Laredo Air Force Base at 2150 Local, with departure to the South - to McAllen.

k. Position title and comments of the preparing officer, including preliminary analysis of the possible cause of sighting(s):

RANKIN, William B., 2/Lt.

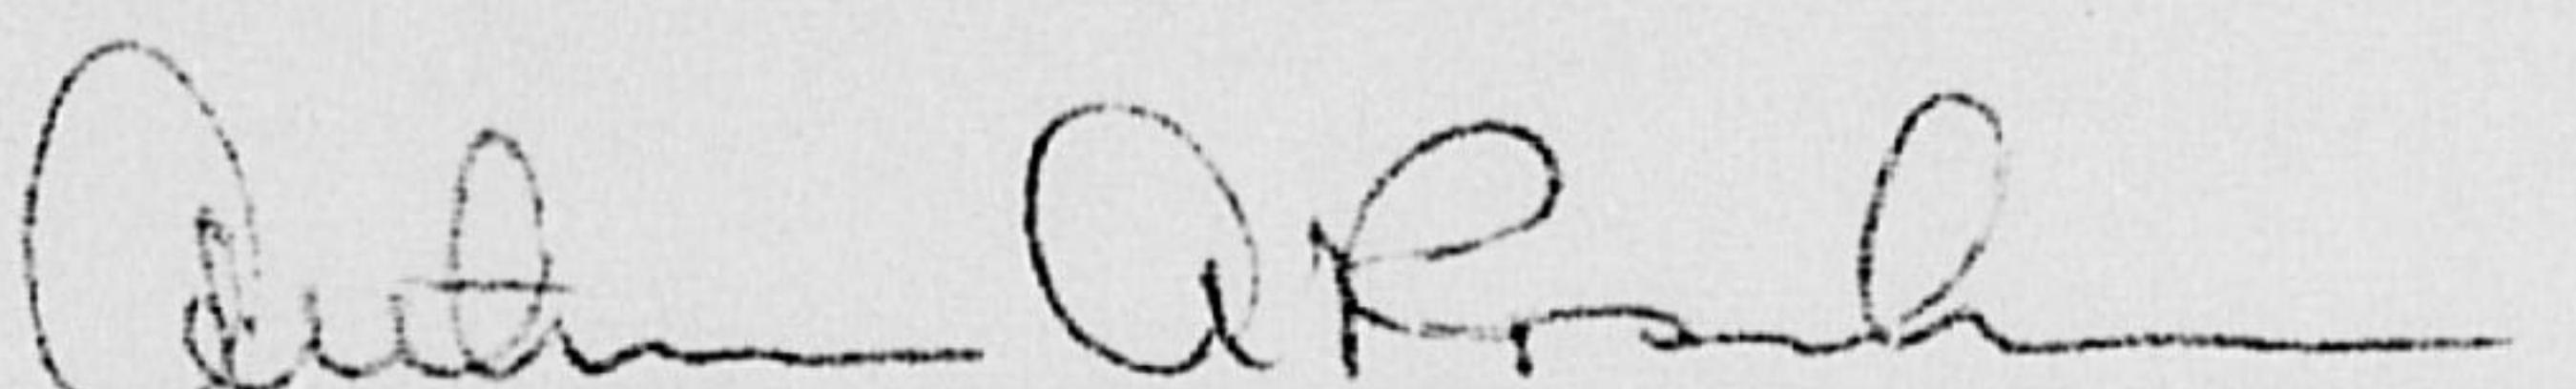

Officer of the Day

Probably caused by two separate events; (1) Large bright planet overhead and (2) a departing aircraft.

l. Existence of physical evidence, such as materials and photographs:

None.

FOR THE COMMANDER:

ARTHUR A. ROSSLER, Major, USAF
Chief, Operations Plans Branch
