1. This letter further amplifies my message 790-OIN 01378 Feb 67.

2. Mr. [REDACTED] was one of a group of four witnesses to this UFO phenomenon. The other members of the group live at the same address, [REDACTED], Kirksville, Missouri. Their names and applicable data follow:

[REDACTED] 49, housewife; high school graduate.
[REDACTED] 23, student; junior, Northeast Missouri State Teachers College.
[REDACTED] 21, student; junior, Northeast Missouri State Teachers College.

3. I would judge the reliability of these three people to be good. All four accounts of the sighting agree as to flight and colors.

4. Another group of three people sighted this object from two other vantage points. The names of the members of the group are as follows:

[REDACTED] 21, student, Northeast Missouri State Teachers College.
[REDACTED] 21, student, Northeast Missouri State Teachers College.
[REDACTED] Custodian of Violet Hall, Northeast Missouri State Teachers College.

5. The initial sighting by this group occurred five minutes prior to the sighting by the [REDACTED] group. The [REDACTED] group described the colors as red and white with red predominating.

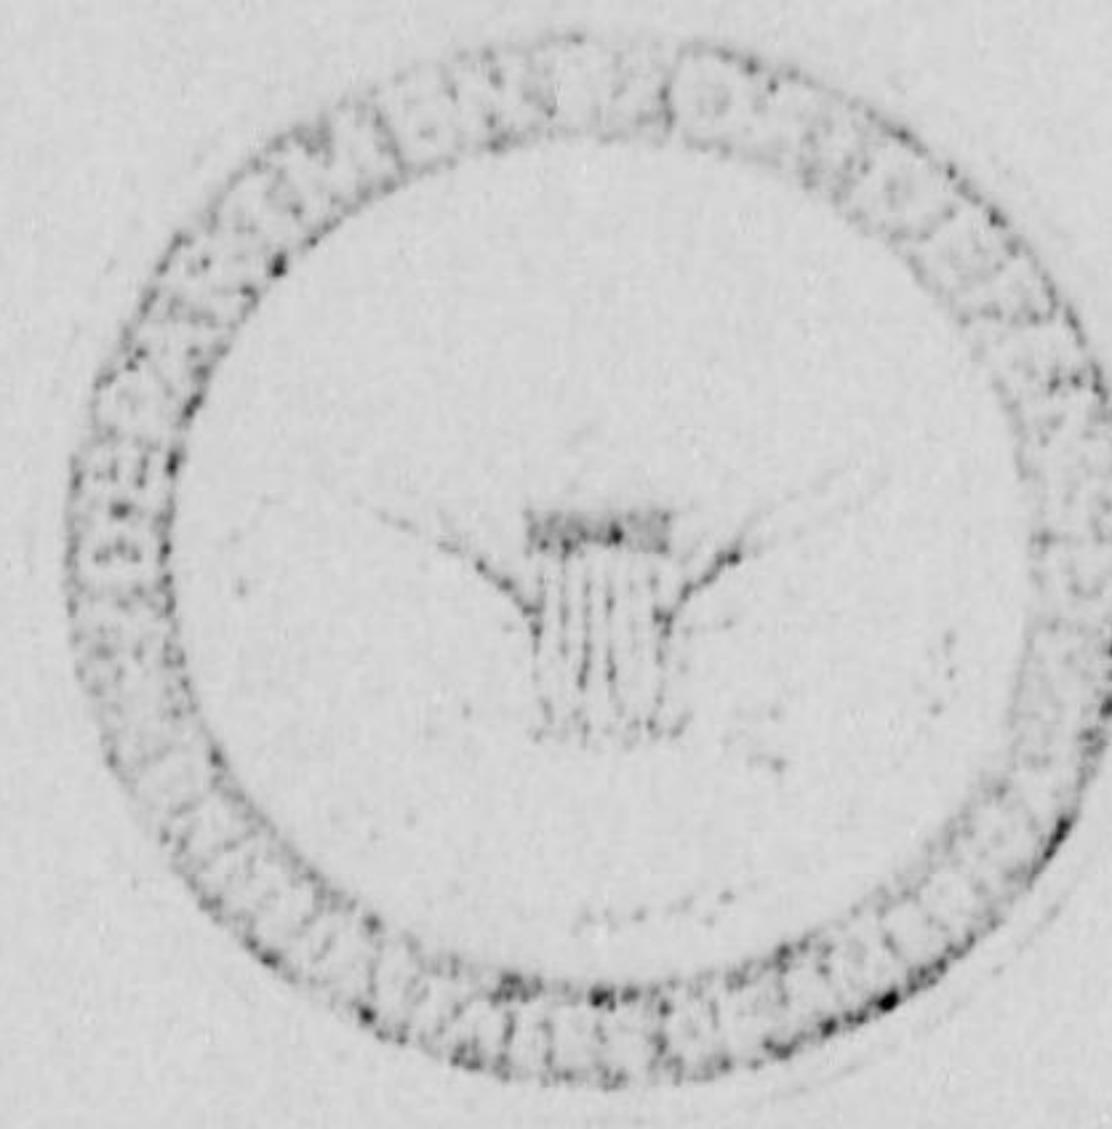

6. I have been unable to obtain more information on the Wilson group due to quarter break at the college.
