MARCH 18, 1969

Dear Sirs,

One night a show  
was just coming on  
and my brother was  
looking out the window.  
He ~~too~~ told me to  
look out the window,  
I saw what I thought  
was a flying saucer.

At that same time  
my T.V. went nuts.  
I got my camera  
and took a picture  
of it when it was  
white, I was so  
excited I didn't take  
a picture when it  
turned red. (HE HAD BLACK  
AND WHITE FILM.)

It went over my  
house and started  
to pick up speed.  
That was the last  
I saw of it.

Yours truly,

[REDACTED]
