Mr. [REDACTED]

1. Reference your recent observation of an unidentified flying object. We have attempted to determine what you observed; however, to date we have been unable to locate the exact stimulus. You did mention that the aliens left behind a box of angel hair. We asked for the opportunity to review some of the material; however, none was received. We have not received any additional reports from the Graysville, Indiana area on 19 May 1967.

2. In the future, if you should observe another UFO, contact the nearest Air Force installation, which is Bakalar AFB, ~~am~~ near Columbus, Indiana. They are in a much better position to conduct an on-the-spot investigation. The UFO investigator at Bakalar~~f~~ is Major Richard J. Smart, 434th Troop Carrier Wing, Bakalar AFB, Indiana 47201, area code 812, 372-2501 extension 202.

Mr. [REDACTED]
Base Operations Officer
Bakalar Air Force Base
Columbus, Indiana

Dear John,

Per the telephone request of Major Tippy on 19 July 1967, I have made an informal investigation of the background of Mr. [REDACTED] Street, Sullivan, Indiana.

Mr. [REDACTED] is about forty years old, unmarried and resides with his mother, a widow. He is intermittently employed at various unskilled jobs and is frequently intoxicated.

I have contacted (1) a former employer, (2) the local police department, (3) a local service station operator who has frequent contacts with Mr. Borders, and (4) Mr. [REDACTED]'s uncle, who is a respected local businessman.

Mr. [REDACTED] is an Air Force veteran and receives a disability pension. All persons contacted including his uncle, reported him to be an unstable and unpredictable individual of questionable veracity.

About two years ago he was the prime suspect in an attempted armed robbery but was not indicated due to a lack of more than circumstantial evidence.

In view of the foregoing, I did not contact Mr. Borders directly as it did not appear his credibility was reliable.

Sincerely,

Joe T. Pound
