Dear sir,

My name is [REDACTED].

On the night of July 3<sup>rd</sup> I was sleeping out with my cousin and brother. We saw what we thought was a ~~satellite~~ satellite but ~~then~~ it turned around and flew away. At about 11:00 P.M. we saw about 15 to 35 U-F-O's. They were white and yellow. They were mostly hovering. When we called the weather Bureau they said, "If they don't have landing gear we don't know what they are? Would you please send an ~~explain~~ explanation. Yours Truly [REDACTED]
