UFO Observation, 11 July 1967

93rd BW
Attn: {Flight Plans and Scheduling} (Castle AFB, California 95342

Our office is in receipt of a reported unidentified flying object (UFO) observation over the Albany, Oregon area. A review of Air Force refueling corridors indicates that your wing is engaged in training flights over the area in question. Request information on participation by the 93rd BW on AR-8A and AR-8B refueling tracks on the night of 11 July 1967. The exact time of the sighting was 0700Z, 12 July 1967. If there was any activity, would aireraft have been in the area of Albany at approximately 0700Z, 12 July 1967?
