Dear Sirs:

I would like to report a UFO I saw on the 7th of February 1969. It was a semi-circled white light with a red pulsating light near the end (picture below). I first saw it at 8:15^{pm} moving northeast with no sound or exhaust trail. I watched it for about 3 minutes and it disappeared behind Roman Bowling Lanes. I was about the size of a penny held at arms length.
