REMARKS

UAP sightings from multiple aircraft. CMP477 B738 FL370 and N8TZ BE36 at 13,000 feet also stated they saw 2-4 possible UAPs each having a white light with light greenish hue moving independently in a circular motion without seeming to turn. SWA5298 B38M FL370, stated seeing at least 2 of those lights over LBF moving left to right. All aircraft said the UAPs were very high up and activity appeared to be near the big dipper.
