REMARKS

ACFT reported a UFO off of the right side descending with the ACFT. Crew was unsure what the object was but reported it was white and following the ACFT. HQ DEN reached out to PCT to query the crew for additional details. 1857 After further discussion and point out parallel track of PHL departure SWA814/B737, the crew reported that it was most likely the ACFT about 20 NM off the right side over the horizon and into the sun.
