

PRIMARY CODE: UNIDENTIFIED AERIAL PHENOMENON

Date: 01:01 10/14/2023Paged: YES

Status: Closed

POD: DEN

Reporting Facility: HQ DEN

REMARKS

Multiple aircraft across multiple ARTCC areas reported an unidentified aerial phenomenon that had the appearance of a potential mission failure. Space OPS at ATCSCC reports the mission is a success without issue. Rocket body recovery is in process. Reports received from ZHU, ZFW, ZKC, ZJX, ZSU, ZTL and ZDV. NORAD reports negative findings. TY, AWO notified.
